Barb Rosen Schreiber is a Human Resource professional with extensive experience in banking, pharma and insurance.

She has proven success in leadership development, performance and talent management and is known for effective coaching and mentoring that creates clarity and inspires action. Barb describes herself as a vibrant force that awakens the sleeping giant in people and organizations.

Barb started her career in the health and fitness industry and then transitioned into the corporate environment. She worked in financial services for 20 years, lead an organizational development team at a global pharmaceutical company and is currently engaged in professional consulting and coaching with organizations and individuals. She has a Master's Degree from O.I.S.E. in Adult Education and is a Certified Professional Co-Active Coach.

Barb is committed to health and wellness and lives this by being an active enthusiast in hiking, walking, biking, swimming, kayaking, skiing and yoga.
